Session Objectives

Teacher as a Facilitator,
Student Protagonist

- The role of the Teacher as a mediator
- The role of the student as protagonist

StandFor

What is the Role of a Teacher ?

Mediation “to influence something and / or make it possible for it to happen”.

It's all about Learning Opportunities

How can I create them? Plan

How can I identify them? Monitor

StandFor

Plan for success, monitor closely

StandFor

What is the Role of the Student ?

Protagonist, "A protagonist is the main character of a story. The protagonist is at the center of the story, makes the key decisions, and experiences the consequences of those decisions."

It's all about.... taking the floor.

How can I encourage my students to participate more?
